Dear Murad

Re: Petitions received at the London Assembly (Plenary) Meeting on 15 January 2014

Thank you for the petition which you submitted to the London Assembly on 15 January calling for pedestrian signals to be installed at the junction of Farringdon Road with Charterhouse Street.

I am aware of the level of development in the area and the implications of the forthcoming new Crossrail station at Farringdon. I am pleased to say that, as part of my proposed north-south cycle superhighway route, this junction is currently being studied by my engineers who intend to provide signalled crossings as part of the design.

Thank you again for writing to me.

Yours ever,

Boris Johnson
Mayor of London
